streets, neat - er yards, bet - ter homes, green - er parks, We

Gm D7 Gm Cm Gm

all must make our con - tri - bu - tion.

2nd Verse: Get rid of debris from the highways,
 Eliminate smog from the skyways.
 Over land over sea ev'ryone must agree
 To make the environment brighter.
 When parked do not leave motors running,
 No dumping of waste in the oceans,
 All the time you can spare, Do your share if you care,
 For work there is no substitution.
